'Gees Rousse Trompe Loeil Art Trendland Online
April 15th, 2020 - A while ago we reviewed Swiss artist Felice Varini's trompe l'oeil work. Well, his inspiration comes from the master of trompe l'oeil art, French artist photographer Gees Rousse who invented Geometrism in space. There are no accidents in his work. Everything is planned from its very inception to the final snapshot. You should obviously know that there is no Photoshop nor any puter.'
